Coach Dee Dee Urquhart

Assistant Walk Coach

deedeurquhart@aol.com

My good friend's daughter died of leukemia on 11/10/03 at the age of 17. Such a waste of a beautiful life. I was so frustrated and angry that I got up off the couch for Fall 2006 TNT season to do a walking half. Since then, I have

completed 63 half and 9 full marathons. I have also done a few triathlons and am doing Olympic Tri in September. I have a passion for helping people reach their goals and am joining TNT this season to see if I can make a difference!
